4. All offered lots are subject to a reasonable reserve price. The right is reserved not to honor any bids at our discretion.
5. Prices in the right column represent the adept valuations based on the stamp market conditions for single lots and starting prices for the collections. Please note that bids lower than 90% of Estimated Prices are rarely successful.
6. All bids are confidential and are not open for the third parties. However, we provide Current Bids constantly; they can be found on our website.
7. No bids are accepted from persons less than 18 years of age.
8. Successful bidders are expected to make payment in full before the lots are mailed, unless they are known to us or supply acceptable references. **If the lots are mailed in advance the payment is expected to be made within 5 business days of receipt.**
9. If the payment for the lots won at the auction is not made within 30 days from the Auction date a 2% per month late payment charge will be added to an invoice.
10. All lots remain the property of Raritan Stamps, Inc. until paid in full.
11. Postage and private insurance charged extra to the purchase price (minimum \$8.00). Handling charge is \$1.50 per each mailing. The NJ Sales Tax of 6.625% will be collected when applicable. Foreign customers pay at least \$15 (Canada) or \$20 (all other countries) for first class mailings with tracking #, insurance, postage and registration charged extra.
12. **Any lot, description of which is incorrect may be returned within 14 days of receipt, intact for a full refund.** The following lots cannot be returned under any circumstances: collections or collective lots, lots described to have faults because of any defects. No illustrated lot may be returned because of margins, centering and other faults shown on the illustrations or in internet catalogue. Customers having examined the lots prior to sale may not return them for any reason whatsoever.
13. **All lots are sold as genuine. The organizers of the auction are responsible for authenticity of all single lots sold at the auction for a period of 1 year.** During this period should any lot be proven otherwise by written opinion of any competent, responsible authority, a full refund will be made on lots returned. This guarantee excludes collections, collective lots containing more than ten stamps, which are not described individually, and accumulations. **We will not be responsible for any charges incurred by the buyer for expertise fees and costs unless the opinion states the item is not genuine, in which case we will pay the actual costs.**
14. Lots may be sent for inspection to prospective buyers upon written application. They must be returned within 24 hours of receipt by Express Mail and adequately insured. The applicant takes all the responsibility for the lots while they are in his possession until they are received by us and agrees to pay all the expenses linked with postage and insurance. No lots can be mailed within 10 days before the Auction date. Scans and digital photos are available upon request.
15. **Buyer's premium of 15% will be added to the lots' selling prices and become a part of a total price of the purchase.**

AUSTRALIA
FIRST FLIGHT

JULY 24, 1934

C. T. P. Ulm with R. N. Boulton and G. U. Allen left Melbourne with a large mail for Papua-New Guinea and intermediates en route. Leaving Sydney (24th), Brisbane (24th), Rockhampton (25th), Townsville (25th), and Cairns (25th), Port Moresby was reached on the 26th, but due to phenomenal storms, the "Faith in Australia" did not reach Lae until the next day (27th). Mail in all cases was backstamped and a special cachet in violet was applied to all mail addressed outside the Commonwealth. In a few isolated cases, covers were impressed with the cachet for transmission only between intermediates, these are rare.
